The dance, which will be held Saturday night at the Top Hat Lounge, in Waveland, will start at 9 p. m. Kramer's orchestra will donate its services for the evening.

The motorcade will be held at 2 p. m. starting at Bay High School. The order of the motorcade will be: Bay St. Louis Police car, Sheriff's car, Deputy Sam Peterson, Tax Assessor Clarendon Ladner, Clerk of Courts, A. C. Mitchell, Waveland Town Marshal Fred Bourgeois; State Highway patrolman J. Wittmann, Judge Nelous Rhodes, Constable Nolan Kingston; Deputy Sheriff Ed P. Orte; American Legion Sound car; Legion sound truck.

A prize will be awarded at the dance. Mrs. Russell Elliott, co-chairman, announced, and the winner need not be present.

The Top Hat Lounge is being donated by Ed Orte.

Miller, who is well known hereabouts for his philanthropy and kindness to the needy, has been bedridden since his attack. He spent several weeks in the hospital, but is now recuperating.

While his condition has improved, Miller must go a long way before he will completely recover.

Mrs. Nelius Rhodes, co-chairman of the event, added that State Highway patrolmen Kenny and Blackwell will also join in the motorcade.

Donations for the dance will be used to help Arthur in his large medical expenses. One dollar is asked for admission to the dance.

Donations may be mailed to either co-chairmen or Mrs. P. D. Preo, Mrs. Elliott said.

Miller, who was employed at the Coast Electric Power Association, was rushed to Gulfport because of his attack. His immediate need for blood has spurred on the formation of the Hancock Blood Bank here which will take care of just such emergencies.

Committeemen for the dance are Mrs. Wilmer Thibeaux; Mrs. Geo. Deltz, Mr. and Mrs. Richard Nunnel, Wallace Bourgeois, Nelius Rhodes and Russell Elliott.

## YOUTHS ARE MADE HARDENED CRIMINALS AT PARCHMAN

By WILLIAM DOLAN

What happens to a first timer in Parchman. That all depends on the man's age, family background, environment and education.

A first time offender enters Parchman strictly on his own. There is no classification system. He receives a very limited physical examination. He is finger printed, mugged, his general physical description noted. He is given one suit of stripes and a number and sent to work camp.

There is not effort on the part of the administration to make a mental examination. The vast majority of the youth admitted to Parchman as first offenders are victims of circumstances. Many of those I met, had they lived in the community where they were convicted, would never have been sentenced to Parchman. They would have been remanded to their parents or served a light term in the county jail.

But being strangers in a community where the law violation took place, without friends to employ a lawyer, they enter a plea of guilty in the hopes of receiving a light sentence.

In Camp 5, I am going to take the case of two boys, tried and sentenced through due process of the law. These two youths left their home in Canada, hitchhiked to Mississippi. They got hungry, broke into a store, stole something to eat, got caught, and were sentenced to Parchman to combat these conditions? None.

True they have religious services in Parchman. But those services are compulsory - one hour's religious service to combat an environment created by murderers, rapists, thieves and sadists.

A sergeant whose only weapon is the sadistic infliction of punishment of the whip, whose every act creates an atmosphere of fear and hate.

## Free Movies For Kids

The A & G Theatre will hold its fourth annual free Christmas comedy for the kiddies Dec. 16, and nothing is asked for admission but a can of food.

Horatio Favre, manager of the theatre, said the Rotary Club has agreed to co-sponsor the show and will have its members assisting in the collection of the canned food.

The food will be distributed to the needy of Hancock County as is the annual custom, Favre said. Favre stressed the fact that no one had to bring any canned food, to get in the movies. He said it was only a request.

The movies - all comedies - will begin at 3:45 p. m. and last about an hour.

The Rotary Club will collect the food and distribute it for Christmas time.

## Jason Mauffray, John Oliver Hurt In Wreck

Another accident occurred in Kiln last week when Jason Mauffray and John Oliver were injured in a motorcycle mishap Friday night.

This was the fourth accident in Kiln in two weeks. Last week three car wrecks occurred, although only one person received serious injuries.

## Night Added To Board Of Youth Center

Eight new directors were elected to the board of the Bay St. Louis Youth Center, it was announced this week.

Chosen were Dr. Jessie Sewell, Rev. Charles Schultz, John Rutherford, Wayne Alliston, Mrs. Valae Witter, Mrs. Cliff Banderet, Mrs. Norma Perkins and Mrs. George Seuzeneau Jr.

Four other board members will retain their posts. They are Harold Weston, Mrs. Richard Shadoin, Mrs. Ada Whitfield and Cyril Glover.

The Board announced that it will hold its election of officers at their next meeting.

It was also announced that Dr. Sewell will donate the facilities of his home to the Bay St. Louis students for the construction of toys which will be given away at Christmas time to the needy of Hancock County.

It was decided that a Christmas dance would be held at the Youth Center on Dec. 19.

## Check On Gas Lines

A thorough check on possible gas leakage and pipe conditions is being held now in the city by an expert firm from Atlanta, the Natural Gas Division of the city revealed this week.

The company, the Southern Cross and Foresters, will complete the survey in about two or three weeks.

A report will be made to Utilities Commissioner Cyril Glover on the conditions of the pipes, repair needs and any unusual factors affecting the gas line.

Glover said the company was called in because of the high recommendation it received from various gas officials in other cities.

The second name he drew was Lambert Boyd. He disqualifies himself.

The second name he drew was Lambert Boyd. He disqualifies himself.

Finally, on a third drawing, the prize was awarded.

# ROCKAWAYS

## Rock Drop Pain Win Another

St. Stanislaus dropped a thriller to St. Martin's of Bloxhi Wednesday night, 52-50, lost another to Arabi and beat Moss Point in a week's activity of basketball.

The Rockaways, who are scheduled to meet Kiln tonight, was leading St. Martin's throughout the game here, sometimes by as much as eight points.

But it was the last two seconds of play that told the tale. Stanislaus committed two personal fouls; St. Martin's took advantage of the four shots and won the game.

In a game last Friday the Rockaways lost their second game to Arabi in New Orleans 49-42 with Ernest Adape, forward, scoring 14 points to lead his mates.

The Arabi game was neck and neck, but Arabi pulled ahead in the last two minutes. All five of the Rock starters—Ladine, Adape, Schaefer, Percival and Wolfe, fouled out of the game.

Saturday, Stanislaus trounced Moss Point 62-35 in a run-away game. Bernard Wolfe, lead the Rocks with 16 points. Stanislaus used its speed and superior shot making to beat out the taller boys from Moss Point.

Stanislaus will be one of the entries in the Kiln tournament to be held next week at Kiln High. The Rocks figure to be one of the top contender for the title.

An oddity in the St. Martin's game occurred when all four of the starters scored ten points—each on four field goals and free throws. Percival was the only Rock to foul out.

## Cage Clinic

Noland Reed and Albert Lanaux will be Valena C. Jones' representatives in the annual basketball clinic at Picayune this Sunday. Coach Harry Hayes announced.

Representing the girls at the clinic will be 16-year-old Vivian Curry, 5 ft. 8 inches tall and Carolyn Patterson, a 5 ft. 6 inch junior. Vivian will play forward and Carolyn will be at guard.

are still trying for ducks—they go at every opportunity, but can't locate them.

It was nice to have August Fischer, scout executive of New Orleans as the guest of the scout executives meeting Monday night. August is an ardent fisherman and promised to pay us another visit not as a speaker, but as a fisherman real soon.

Latham, Garriga still contends that there are some squirrels left in the county and when he locates them he will let us know where they are—maybe.

There seems to be quite a number of rabbits in the woods—one hunter says he kicked up three while walking in the woods—again a good dog is the answer.

Concerning hunting we had a hard time hunting for mice for this column this week. Why not let us have some of your fishing and hunting experiences. Just call or write "Kancha, Ketchum"

The ducks seem to have "gone South" as the old saying goes. On two trips this week and a few Poules D'eau were seen and no ducks. Maybe if hasn't been cold enough yet!

Fishing was practically out of the question over the weekend, although our old friend Watson John reported making a good catch Saturday as well as a getting a good soaking!

The "turkey shoots" will be held again this Sunday afternoon at 2 p. m. at Scifield's place on the highway. Besides winning your Christmas turkey you can help a worthy cause. If you can't do the shooting yourself you can have someone shoot for you by proxy.

Pearl River Junior College, which is the official junior college for Hancock County, placed second among the nation's pint-sized football teams this season.

Bay St. Louis has its representative on the Pearl River team with Henry Capdepon, Jr., a graduate of St. Stanislaus who plays center.

P. R. J. C. closed out its season with nine wins and one tie, and tied for the Juniv College conference title with Hinds. The Wildcats, scored the most and were scored upon the least in the conference.

Capdepon, who was tackle for Stanislaus, played in every P. R. J. C. game both on defense and offense. On offense Henry plays center and on defense he holds down the guard spot.

Only a freshman at Pearl River, Henry figures to be high university material within the next year.

A STANDOUT—That's Henry Capdepon Jr., offensive center for Pearl River Junior College. Henry graduated from St. Stanislaus.

The Sea Coast Echo has been flooded with letters to Santa Claus from both boys and girls. "Santa, come now and bring me my presents." Although probably not the same week they're received.

So assure the kiddies that Santa will answer them all, although he is very, very busy.

## On The Way

The blood bank is in operation. Now comes the crucial stage. After the initial wave of enthusiasm, it's the time for every man and woman in Hancock County to be typed.

It's easy to command the efforts of others, and go about your business. But that won't make this program a success. It needs a very long list of names so blood can be obtained immediately without concern for those who can't make an appointment on the spot.

## Choosing Up Sides?

Biloxi and Bay St. Louis both put in bids to get West Virginia to base its Sugar Bowl football training camp locally. But then it turns out that Gov. Hugh White recommended Biloxi, and so Biloxi it is.

Is the Governor choosing up sides on the Gulf Coast?

It seems here that the governor should not be concerned where in Mississippi the camp is located, just so it picks a Mississippi site.

But when Mr. White has made some queer decisions in the past, and perhaps there are even more to come

## EARTHQUAKE

today

It wasn't big enough to rattle your window, but there was an earthquake today, just the same. There will be others tomorrow, and nearly every day of the year—miniature man-made earthquakes used in the search for natural gas.

Exploration crews are at work deep in the swamps, far out on the plains, high up in the hills, creating small earthquakes which enable them to chart subsurface strata which may hold natural gas. But the only sure way to find gas is to drill for it. And that costs big money.

Everything required to deliver gas has increased in cost over the years. And your neighbors want natural gas—and you will have it, so long as great prices that justify the huge investment that must be made to provide that service.

We think you'll agree, dependable natural gas service is worth every cent you pay for it... and then some!

## COASTING

By ANNE ORLEANS

Christmas is coming so Christmas decorations with examples and suggestions by Miss Sarah Weaver, Home Demonstration Agent, was the highlight of the program of the Boy-Wave-land Garden Club held this past Thursday at the home of Dr. and Mrs. Jim F. Dicks. The co-hostesses were Mrs. S. J. Bopp, Mrs. A. Evans, Miss May Edwards, Mrs. A. C. Ennico, Miss Josephine Miller, Mrs. W. W. James and Mrs. H. Rattenberg.

Many of the club's hostesses have special floral or garden exhibits when they entertain. What was Mrs. Dick's exhibit? The damage done by the terrible forest fire that destroyed trees, shrubs, garage, machines and came so close to destroying the Dicks' home two months ago. The club discusses not only results in planting but also planting problems. This was not on the schedule; program but right before the guests was one of the major problems in State and National Conservation work - how to prevent

forest fires.

Mrs. Anita Sokahl has taken an apartment at the Georgian on St. Charles Avenue near Jackson Avenue in New Orleans. She will divide her time between her new home, her place on Nicholson Avenue in Waveland and the Lookout Mountain home of her son and his family.

Elaine Knowles, formerly of Ottawa, Canada, and her two little boys, Ronnie and Billy, are having a wonderful visit with their mother and father, Cynthia and Billy Richardson, at their Nicholson Avenue home. Wing Commander Charles Ronald Knockest, RCAF, who is still on duty in Canada, will meet Elaine at the home of his brother, near New Iberia, Ark. Ron's mother and two other brothers will come over from Texas for a Knowles family Christmas gathering.

Guests of the Drewry Blair at their charming Jeff Davis Avenue home, are Mrs. John J. Barto and Miss Julia Kemp of Baltimore, Md. who are Marie Louise Blair's mother and aunt.

Dr. and Mrs. Walter C. Hava were in New Orleans last week and for the final production of the 1953 season of the New Orleans Opera House Association, opening number, the Overture by Der Rosenkavalier played by almost the entire personnel of the New Orleans Symphony Orchestra.

The second number was the ballet, The Black Swan, danced by Alicia Alonso and Royes Fernan.

The final number was the short and beautiful opera of Salomé with Brenda Lewis in the title role.

When asked what they considered the best presentation of the New Orleans Opera House Association for the past season, Dr. and Mrs. Hava choose without hesitation, La Gioconda, with one of the most perfect singing casts they have ever heard in New Orleans.

The Dick Mestayer having a quiet weekend at their home on the Beach. Next week, they go over to New Iberia, La., where Dick expects to get in some extra good duck hunting at Erath, La.

### ARTHROSIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

It's been a BIG YEAR  
for Rural Telephones

1953 has been a big year for rural telephone expansion and improvement in Mississippi. We've spent more than 2½ million dollars for new equipment, cable, poles and wires to place telephones in another 5000 of our state's rural establishments.

Not long ago, at the end of 1945, in fact, there were only 8335 telephones in our rural areas of Mississippi; now over 40,000 rural homes and business houses have them.

And as we have been working this year to expand and improve the state's rural telephone facilities, we've been planning ahead to meet Mississippi's rural telephone needs for 1954.

They are planning to adopt  
a family and provide it with cloth-

The Stanislaus students received  
their rings and pins Sunday morn-

same as last year with the ex-  
ception of the rings having Cen-  
tennial year written under the  
stone. The rings have a red stone  
with Bay St. Louis written un-  
der it, and two "rockchaws"  
above it. On the other side is  
the Sacred Heart with Mississippi  
written under it and two "rock-  
chaws" above it. Around the  
stone are the words St. Stanislaus  
College.

The pins consist of three tiny  
pearls centered around a ruby.  
Congratulations boys, for 12 years  
of hard work.

**Operetta Set  
For Pass Dec. 6**

On Wednesday, December 16, a high school operetta in two acts, The Gypsy Troubadour, will be presented in the auditorium of Pass Christian High School. The

operetta is under the direction of Mrs. T. J. Broadus, with Mrs. James B. True serving as the accompanist. The program will begin at 8:00 o'clock.

Ruling the tribe of gypsies is Todoro, played by Jerry Palmisano, with his wife Maria, played by Mary Beth Dubuisson. The romantic interest is furnished by Nikoli, played by Bruce Stewart, who has difficulty in deciding between Rosita, a gypsy girl, and Clare, a dazzling blonde whom he met in college.

Marijore Lively plays the part of Rosita, and Catherine Webb that of Clare.

Other romantic interest is furnished by Janina, played by Sue Ashford, who thinks that Marko is "simply wonderful." Marko, portrayed by Joe Benigno, is "quite remarkable" as the gypsy tribe's chief boaster and fortune teller. He is assisted in untangling ticklish situations by Tom Gordon (Berry Scott), a college friend of Nikoli's.

The chief schemer in the tribe, Vario, is Lolly Parker. His former sweetheart, Elena, is Nancy Robinson. Buck Kimball, as Henry Clayton, is very much interested in an auburn-haired widow, Jean Jerrold, (Della Lizzana), and Marion Moffit as Mary Matthews, a terrible talker, just raves about "the simple life."

Members of the chorus are: Alice Farragut, Alonra Ladner, Kaye DeMetz, Shirley Scarborough, Mary Catherine McDonald, Mary Ruby Kaliff, Margaret Tillman, Mary Margaret Necease, Lella Bourdin, Dianne Jeffcoat, Louise Dubuisson, Rachel Scarborough, Conchetta Ruspoli, Loraine Castell, in Gary Terrell, Herschell Dubuisson, Wallace Moran, Lester Palmisano, John Null, Freddie DeMetz, Teddy O'Boyle, John Buys, Michael Moffit, Gene Spence.

Ann Ashford is serving as prompter, and serving as ushers will be Jackie O'Boyle, Ruth La Fontaine, Patsy Necease, and Shirley Carter.
